

DAWN MATHS CHALLENGE 2018

Dear Participating Student,

Every student who has registered for Math Challenge 2018 is eligible for a coupon (worth Rs 299) to access EDeQUAL's online Math assessments. These online assessments can be accessed via a computer or smart phone, using the internet. Students can test their Math competency level across multiple topics, including those they will be quizzed on in the competition, and grade levels.

Your coupon code is: K017582129

Follow the instructions to access the online assessment tool:

1. Go to quiz.edequal.com
2. If you are a first time user, scroll down the page and click on Signup
3. Decide which quiz package you want to enrol in. There are five packages offered. The first three - Copper, Bronze and Silver - can be accessed for free with a Math Challenge coupon. Gold and Platinum are premium packages, against which the coupon can be applied to avail a discount. You can review what topics are covered under each package by clicking Details, before choosing a package.
4. Click Buy on the package you prefer. Then fill in your required details (including name, email, mobile number) on the online form, and click the link to enter your coupon code. A box will appear where you enter the Math Challenge coupon code for your school and then click on Apply coupon.
5. Your order details are shown, with the total amount charged. Click on the box to accept the terms and conditions and then click Place order. You will see an order confirmation screen, and then you will be automatically directed to the assessment package you have been enrolled in.
6. Click on the package you are enrolled in under My Assessments, which will show you the topic or grade level assessments that you can take.

Students can review their scorecard as they go through the various assessments by clicking the report icon. Each assessment in a package can be attempted only once. Once students have signed up for a package they will be sent their unique username and password via email to the address they provided at Signup, which enables them to access quiz.edequal.com at any time.

Good luck, and happy quizzing!
